

# Gary Merrell

for County Commissioner

**Courage. Character. Conservative.**

ENDORSED CONSERVATIVE  
DELAWARE COUNTY GOP

## **Gary Merrell is the Conservative Republican's Choice.**

Delaware County is growing. So is the cost of keeping up with that growth.

Fire. Police. Roads. Bridges. Water and sewer. It all costs more, and there's more opportunity than ever for politicians to forget their responsibility to protect our tax dollars.

**We need a strong, fiscal conservative to make sure government keeps spending under control and keeps true to our character and values.**

Growing up without a phone, television or even indoor plumbing in his early years, Gary's character was forged on hard work, sacrifice and thrift.

He'll hold politicians accountable for spending and make sure special interests don't get the upper-hand.

**And, as a former business manager, Gary will work hard to attract new jobs to Delaware County so families thrive and needs get met.**
